

CHILDREN IN THE RESTAURANT AND BAR

Children are always welcome in our hotel's restaurant and bar area! Our kitchen team has prepared a special menu tailored for our little guests. However, to ensure a pleasant and relaxing atmosphere for all our visitors, we kindly recommend that after 9:00 PM, children unwind in their rooms or at home, especially if you are in the bar area.

If you would like to enjoy a peaceful evening, we offer a babysitting service that can take care of your child in your room. For more information, please contact our reception team—advance reservation is required.

A FRIENDLY REMINDER

To create a comfortable experience for all guests, we kindly ask parents to ensure that children do not run or make excessive noise in the restaurant and bar areas. This is important both for their own safety and for our staff, who frequently carry hot dishes and drinks.

Our restaurant and bar are spaces for enjoyable conversations and delicious meals, so we appreciate your understanding and cooperation in maintaining a pleasant atmosphere. To ensure the best experience for both our guests and employees, we reserve the right to refuse service in exceptional cases.
